

TWILIGHT ZONE & PLANET HOLIDAY SPRING NEWSLETTER

Hello and welcome to the latest newsletter from the Twilight Zone and Planet Holiday Clubs at Four Lanes Schools. In it you will find all the latest exciting news about the fun activities the children have been taking part in both after school and during the school holidays. It also has the latest information you might need to know. We hope you enjoy reading it.

SIGNING YOUR CHILDREN IN AND OUT

Please remember to sign your child in when you drop them off and sign them out again when you pick them up. When we are all out on the playground the registers will be located near the playworkers on duty.

NEWS FROM THE INFANTS & JUNIORS

Staff at both clubs wish everybody a prosperous 2018.

DAWN CHORUS

Since our last newsletter the children are still enjoying their breakfast, especially porridge, to keep the winter chill away. There has been a variety of fruit on the breakfast table from satsumas to blueberries.

The children are still enjoying an assortment of games, at the moment Ludo is very popular. They are also being very creative with their own ideas.

TWILIGHT ZONE

After the October half term the children have done a range of activities – making bird feeders, Christmas decorations and learning the art of origami as well as playing games.

The children created their own Christmas tree of hands. Every child at both clubs drew around their hands which were used to make the tree. This looked very effective and got lots of positive comments.

The Christmas display looked stunning – well done everyone!

This term the children have done potato printing and are now enjoying junk modelling.

We are all looking forward to the evenings getting brighter and longer when the children can benefit from more activities in the fresh air.

**CAN YOU PLEASE LET US KNOW IF YOUR CHILD/REN WILL NOT BE ATTENDING

PLANET HOLIDAY

The children at Planet Holiday enjoyed the 'Emoji Week' theme during the recent February half-term holidays. There was a range of activities on offer for the children to take part in including making Emoji cards and bookmarks, key rings, quilling pictures and watching the 'Emoji Movie'. There was also a chance for the children to celebrate Valentine's Day by making Valentine's Day cards and to celebrate the Chinese New Year when the children made some lovely Chinese Wall hangers. A lot of fun was had by all and the activities proved to be very popular. The Easter school holidays look to be a busy one so please look out for the Planet Holiday leaflet available from the infant and junior schools soon. These holidays run from **Tuesday 3rd April to Friday 13th April** so expect lots of great activities as well as the usual inside/outside free play, games in the hall and lots, lots more. **Children attending the scheme require a packed lunch.** We hope to see you there!
